- February 23, 2017 Work Session

B. Resolution #R17-02-Honoring Moore County Chamber's 50th Anniversary

Mayor Pro Tem Frusco made a motion to adopt the consent agenda as written seconded by Councilman Boito and carried unanimously.

Chief Chad Shue gave an update on the recent vehicle break-ins. There were over 30 break-ins in a three-hour period on February 17. Both sides of the Village were affected. Very little evidence was obtained and no fingerprints were found when the vehicles were dusted. Foxfire Village is not the only municipality this has happened in and several law enforcement agencies are working together to solve the crimes. There's a potential suspect incarcerated in the Moore County Jail at this time who they plan to interview. Vehicle check-points will be set up on order to show more police presence, slow down traffic and to see who is coming into and out of the Village. The Town of Carthage, Pinebluff, Aberdeen, and Laurinburg Police Departments will participate.

7. Public Comment Period

MaryAnne Lauer asked if the Village had paid for the beach property cleanup. Mayor McCue replied yes, it had become a safety issue and a public nuisance. The Village will put a lien on the property if necessary. Mayor Pro Tem Frusco explained the nuisance abatement process and added the Village spent several months preparing to legally remove the structure and dock.

8. Zoning Administrator's Report – Lisa Kivett

Zoning Administrator Lisa Kivett reported the following zoning activity for February 2017:

There are Eight (8) homes under construction in the Village and one (1) in the ETJ.

D. Streets and Park – Don Boito

1. Second Bid for Foxfire Blvd.

Councilman Boito reported the quote from Riley Paving was postponed one day. He received a finalized survey for Foxfire Blvd. Its slightly different from the preliminary and should be discussed further.

E. Mayor's Report

1. FPOA 40th Anniversary

Mayor McCue asked for a point of contact from the council to work with the FPOA on the 40th Anniversary Celebration. He asked Councilman Boito if he would assume this responsibility and he agreed he would.

The next work session is scheduled for March 30th and Mayor Pro Tem Frusco will oversee the meeting.

The Village received the Hurricane Matthew FEMA reimbursement of \$4,229.78. This amount reimbursed the Village for work Mr. Brown did to clear trees, police coverage and administrative work during the hurricane.

10. Public Comments:

Mr. Paul Davis commented that he and some neighbors had concerns about the crack seal appearance. McCue explained that crack sealing makes the roads last longer before we have to actually pave them. It does not look good but necessary as the cost of repaving is extremely high.

Mr. Davis also had concerns about a large tree in the right of way on Burning Tree. Councilman Boito will look into this.

Mr. Davis asked if the Neighborhood Watch program was active. Chief Shue responded it was started in 2008 by the Police Department but not active. He said it's a great tool and would be interested in starting it back up again if citizens want to participate.

11. Old Business:

None

12. New Business:

None

Councilman Boito made a motion to adjourn seconded by Councilman Koos and carried unanimously. The meeting adjourned at 7:19 PM.

As so incorporated to these minutes of March 14, 2017 are exact copies as so recorded in the ordinance and resolution books of Foxfire Village as if fully set out in the minutes.
