5. Items for Discussion:

- **Mulching Date**

Mulching at the park is scheduled for March 31st and April 1st. Park Trails will be closed during the mulching.

- **Opening Park**

Based upon the Governor's latest COVID restrictions, Council decided to re-open the Village park and limit the amount of people to 100.

- **Signs for Children Playing**

Boito reported that more families with children are moving to Foxfire. He suggested installing "*Caution, Watch for Children, Joggers, Bicyclist, Pedestrians*" signage to existing poles throughout the Village. He will speak to Chief Shue about placement and quantity.

- **Landscaping Bids**

One contractor, Ricky Horton Landscaping, has submitted a bid for landscaping. Other companies were approached but have not responded.

- **Meeting Results with Brown Golf**

Boito reported on his meeting with Brown Golf. They discussed the irrigation dripline on Foxfire Blvd. and the offer of Village owned land for their maintenance facility. Mayor McCue voiced his concerns and suggested council rescind the offer. Discussion ensued. Council will further discuss the issue at the next council meeting.

- **Water Forgiveness Policy**

Councilwoman Gregorich was asked to sign-off on a water forgiveness request for a resident with a high balance. This resident has an extensive history of non-payment and leaks. Ms. Gregorich was not comfortable signing off on forgiveness unless first discussed with the council. It was decided to deny the request for forgiveness.
