- 3. Others Present:** Connie Korner, Grande Pines
- 4. Discussion on a Resolution in Opposition to HB 675, HB 492, SB 35, and SB 367**

Mayor McCue gave a brief background on the proposed bills and the resolution opposing them. He recently attended a Moore County Transportation Committee meeting and after the meeting met with several town representatives and County Chairman Quis. They discussed acting in concert to let the legislature know in particularly Senator McInnis and Representative Boles, that we are unhappy with a number of the legislative proposals made and pending legislature. McCue pointed out each proposal in an attachment to the draft resolution presented to council. He added that all the town representatives attending that day felt strongly that their town councils would support the resolution. After council discusses and approves the resolution, it will be signed by the Foxfire Village Mayor and copies forwarded to Moore County, Senator McInnis, Representative Boles, President of the Senate, and the Speaker of the House.

Mayor Pro Tem Frusco made a motion to approve and sign on the Resolution Opposing the Usurping of Local Government Authority by the Carolina General Assembly.

McCue allowed those in attendance to ask questions.

Connie Korner – Grande Pines resident asked how these bills would affect gated communities. Mayor McCue replied that for the time being, he thinks gated communities are safe but could always be changed if the Legislature really wanted to push it. He is not aware of any effort to undo that.

Back and forth discussion continued between Ms. Korner and the council and council discussed in detail each of the proposed bills.

A vote was called and carried unanimously.
