REGULAR WORKSESSION
Foxfire Country Club
April 26, 2018 – 6:30 PM

1. **Call to Order:** Mayor E.M. McCue III called the meeting to order at 6:30 PM.
2. **Members Present:** Mayor Pro Tem Leslie Frusco, Councilman Ed Howze, Councilman Don Boito, and Councilman Jon Sedlak
3. **Others Present:** Andy Moody and Mary and TJ Gilroy

4. **Items for Discussion**

- Comprehensive Transportation Plan & Moore County Transportation Committee Update

Mayor McCue and the committee met and chose their top priorities for the County to go into the State Transportation Improvement Program (STIP) which is a 10-year look out. The projects on the list are somewhat in line with projects in the Comprehensive Transportation Plan (CTP). The Village should receive the CTP by the end of summer.

- South Shamrock Gate (McCue)

Mayor McCue was approached by a resident who asked the Village to allow residents to use the closed South Shamrock gate by using a scan or bar code. Mayor McCue did extensive research on the gate closure and gave the council a background on the gate. There was brief discussion.

Mary Gilroy commented that one reason she purchased her home on S. Shamrock was because the road was closed. She is concerned already about speeding on the road and opening the gate would create serious issues with increased traffic etc.

- “Southern City” (McCue)

Mayor McCue reminded Council to look at the “Southern City” magazine when it’s in their box. The magazine contains a lot of useful information for local municipalities.

- Town Hall Tree Removal (Boito)

Councilman Boito reported that Gilbert Brown removed the trees at the Town Hall.

- Crack Sealing (Boito)

The crack sealing project was delayed due to rain. The plan is for it to start on Monday the 30th starting on S. Shamrock. Work will be throughout the Village.

- Pool-Furniture and Deck Cleaning (Boito)

Councilman Boito reported purchasing some used inexpensive commercial quality pool chairs. They are in decent shape and should last for a couple of years.

- April 11th Disaster Drill Follow-up (Howze)

Councilman Howze and Chief Shue are preparing a Foxfire Village Disaster Manual. This manual will be in-line with the counties but will suit Foxfire’s needs.

- New Phone Number (Howze)

The Police Department has a new cell phone which the on-duty officer will carry. The office phone will automatically roll-over to the cell phone. Mayor Pro Tem Frusco added that Verizon gave the phone for free and the monthly service is inexpensive. The number for this phone is (910) 995-0174.

- 2018-2019 Budget

Council members discussed budget numbers for their respective departments.

5. Adjournment

Councilman Boito made a motion to adjourn. The motion unanimously carried. The meeting adjourned at 7:50 PM.
