- Trail Cameras

Councilman Boito said there's been reports of teenagers climbing the park shelters and possibly damaging the trails and exercise equipment. He considered installing trail cameras however, they could be easily stolen and they operate only on batteries. Mayor McCue would like to see the police patrolling more in the park.

- "Meet the Candidate Night"

Mayor McCue suggested having a "Meet the Candidate Night" since there are four candidates running for 3 council seats. This would give an opportunity for voters to ask questions of the candidates. Councilman Koos commented that the Village conducted this type of meeting several years back. McCue will contact Leslie Frusco and Ed Howze to see if they are interested in participating.

- Pinehurst Actions

Council discussed the Village of Pinehurst's recent rezoning of 28 acres off Foxfire Road and their plan to allow building of 28 homes on smaller lots. McCue commented there was no discussion about the possible Western Connector and he is concerned this annexation may move the Western Connector further West. McCue met with County Commissioner Frank Quis and they discussed Pinehurst's actions and the potential implications to Foxfire. The Council discussed the same.
